

## **Radio API Voice-over script**

A New Era – Stability · Prosperity · Opportunity

MVO:

Stability is the cornerstone of development.

For the past 25 years, Hong Kong has been resilient when facing challenges. Today, we embrace more development opportunities.

Through integrating into the national development and with the advantage of “One Country, Two Systems”, Hong Kong will boost its economy, improve people's livelihood and consolidate its international standing.

Let's build Hong Kong's future together.

A New Era – Stability · Prosperity · Opportunity
